

A Vision in the Night - A Warning

0300 hrs. 28 March 2024

By Thomas F. Baird

I awoke from my sleep and saw the entire surface of the universe before me. It was vast and dark. On the right side of the horizon of the universe was a little round face with a small little voice. It was moving from right to left. Far to its left was a large gray mass of many powers sitting by themselves in direct opposition to the Creator of the Universe. Then, the little round face with a small little voice spoke as a loud roaring Lion that caused the Universe to shake violently. The little round face with the small little voice spoke as it roared and it said,

“GATHER!!! ASSEMBLE!!!”

It was very much like what an army does when the commanding officer calls for Assembly. Instantly, all things were brought together into a formation.

Then, I noticed in the mass of the dangerous powers of the universe, kingdoms, and nations, a little newborn goat. I thought that little goat needed to be rescued. In my own presumption, I became presumption. I reached out from my place and put my hand through a “veil,” to help the little kid goat.

Oh, Oh... I quickly realized that I should not have done this, as it interfered with what Yahuwah *Elohim* the Almighty was doing. Immediately, with a voice louder than many thunders spoke,

“Who Dares to Alter the Appointed Times and The Seasons That I Put in Place!!!”

The voice was so powerful that the entire universe was violently shaken. I immediately withdrew my hand and repented of what I had done. I started seeking and receiving forgiveness for what I had tried to do. I had to learn that no one is allowed to alter what the Creator sets in motion, nor change the way things are set in motion, until its appointed time, and in the way it is appointed to be. We can petition Our Heavenly Father about things, and He will consider our request, but even still, our request must be

by His hand, in His time, and in His way. Except for the Power of the Blood of the Messiah Yahushua (Jesus) the Lamb of Yah covering me, I would have certainly perished.

I was shaken and I am still shaken, for I observed the whole universe being shaken over my transgression and the whole situation greaves me greatly.

Something large and dangerous is about to take place. Many are in danger even unto the loss of their salvation. Many need to be rescued. Petition Yahuwah as we are His intercessors.

Brother Tom
