The Whore of Babylon

Revelation 19

Understanding the Whore of Babylon

- John Mark's Babylon comments:
 - And there followed another angel, saying, Babylon is fallen, is fallen, that great city, because she made all nations drink of the wine of the wrath of her fornication. (Revelation 14:8)
 - Wine (fake news)
 - Fornication (Lovemaking outside of marriage)
 - And the great city was divided into three parts (because of the great earthquake), and the cities of the nations fell: and great Babylon came in remembrance before YHWH, to give unto her the cup of the wine of the fierceness of his wrath. (Revelation 16:19)

Revelation 19

Understanding the Whore of Babylon

- John Mark's Babylon comments:
 - And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.
 - And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Yahushua: and when I saw her, I wondered with great admiration. (Revelation 17:5-6)

Revelation 19

Understanding the Whore of Babylon

- **The Angel's explanation:**

- And the angel said unto me, Wherefore didst thou marvel? I will tell thee the mystery of the woman, and of the beast that carrieth her, which hath the seven heads and ten horns.
- The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.
- And here is the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth. (Revelation 17:7-9)

Revelation 19

Understanding the Whore of Babylon

- **The Angel's explanation:**

- And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space. (Revelation 17:10)
 1. Egypt – Monochion Empire
 2. Babylon – The Head of Nebuchadnezzar's Image
 3. Persia – The Shoulders of Nebuchadnezzar's Image
 4. Phoenicia – The Naval Kingdom
 5. Macedonia – The Thighs of Nebuchadnezzar's Image
 6. Rome – The Legs of Nebuchadnezzar's Image.
 7. The Ten Royal Families of Europe – The Ten Toes of Nebuchadnezzar's Image.

Revelation 19

Understanding the Whore of Babylon

- **The Angel's explanation:**

- And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.
- And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast.
- These have one mind, and shall give their power and strength unto the beast. (Revelation 17:11-13)
 - The Beast is the combination of the ten kings... but the power of the beast is greater than the sum of the king's power.
 - Their goal is to rule the world and eliminate all influence of YHWH.
- And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire. (Revelation 17:16)

Revelation 19

Understanding the Whore of Babylon

- **The Angel's explanation:**

- For YHWH hath put in their hearts to fulfil his will, and to agree, and give their kingdom unto the beast, until the words of YHWH shall be fulfilled.
- And the woman which thou sawest is that great city, which reigneth over the kings of the earth. (Revelation 17:17-18)
 - The kings are willing to keep the harlot just as long as she is useful.
 - When the kings feel they do not need her, they will get rid of her. If they are going to war with YHWH, they need the wealth of the harlot to pay for their munitions.

Revelation 19

Understanding the Whore of Babylon

- It started with Cain... he sacrificed the fruits of his garden in an attempt to please YHWH.
 - He created the first religion. Religion defined is:
 - Those activities designed to please a divine entity by doing “a specific set of works.”
 - These activities are best done by large groups of people in an urban setting.
 - Cain and his descendants built the first cities and created human civilization.
 - Cain fed those cities through a defined system of agriculture.

Revelation 19

Understanding the Whore of Babylon

- It started with Cain... he sacrificed the fruits of his garden in an attempt to please YHWH.
 - Cain brought his “works religion” to Egypt where he built the first real human civilization.
 - In Egypt, he was first called *Asur* but later on, he was called Osiris.
 - Because he was the first *Nephilim*, he was considered an *elohim*.
 - Shem eventually cut Osiris into 15 pieces (he was still alive and is still alive).
 - Eventually, the remains of Osiris was taken to Oak Island by British 007 agent William Dampier and buried alive.
 - He had a son named Horus. You see his eye on every U.S. dollar bill. He was born on December 25, the 359th day of the year.

Revelation 19

Understanding the Whore of Babylon

- It started with Cain... he sacrificed the fruits of his garden in an attempt to please YHWH.
 - When the Egyptian economy began to stagnate (Genesis 41:37ff), Cain would travel to Babylon where he created their religion. Eventually, the Babylonians would conquer and control Egypt.
 - When Babylon started to stagnate, Cain moved his religion to Persia.
 - From Persia, with the help of the corrupt House of Eli (Abiathar, the deposed priest), the religion moved to Greece and Phoenicia.
 - The Phoenicians were the first true seafaring nation, bringing their culture from Tyre, to Greece, Carthage, and finally Rome.

Revelation 19

Understanding the Whore of Babylon

- The first five civilizations of Cain are:
 1. Egypt
 2. Assyria
 3. Persia
 4. Phoenicia
 5. Macedonia (Alexander the Great)
- The sixth civilization that existed at the time of John Mark:
 6. Rome
 - It started as a civilization.
 - It became a religious system when the family of the Roman dictator Fabian married in the House of Eli's family creating the Phiabi Family Line.

Revelation 19

Understanding the Whore of Babylon

- The Phiabi Family Line became the Harlot System.
 1. They took over the Phoenician Shipping Business, including all the Philistine thug enforcers who made sure everyone paid their bills.
 2. They installed themselves as the High Priests in the Temple.
 3. They set up banking systems and loaned money to all the kings in the Roman empire:
 1. They financed Herod so he could help Julius Caesar get out of a bad situation in Egypt.
 2. Herod was installed as King of Judea and the Phiabi Family was installed as the high priestly line, even though there were several families more qualified.
 3. Because the Phiabis controlled the purse strings of kings, the politicians had to do what they were told.

Revelation 19

Understanding the Whore of Babylon

- The Phiabi Family Line became the Harlot System.
 - They installed themselves in three places:
 - The religious system
 - The financial system
 - Indirectly in the political system, using money to control the politicians.
 - When the Roman Empire started to collapse in the fourth century, the Phiabis:
 - Used the political system to gain inroads into Christianity.
 - When Emperor Constantine I gained control of all Rome, he gave the Christians all the Roman Basilicas (office buildings) as church buildings, as he wanted “out of the religion business.”
 - Because these basilicas were expensive to maintain, the Phiabis were more than happy to “help out” the Christians on the money end.

Revelation 19

Understanding the Whore of Babylon

- The Phiabi Family Line became the Harlot System.
 - Eventually, the Phiabis were able to insert themselves into the office of Bishop of Rome. In time, they made the Bishop of Rome the controlling Bishop over the Catholic Church.
 - When Rome fell, the Phiabis moved their financial operations to Venice, Italy, where they were able to control all of Europe.
 - Through the Catholic Church, they controlled the religion.
 - Through the Venetian Banking System, they controlled the money.
 - They also set up the ten royal families to rule Europe and eventually the rest of the world.

Revelation 19

Understanding the Whore of Babylon

- Even though the Phiabis set up the ten royal families of Europe, because they were all descended from King Solomon, they felt they had the “divine right to rule” the rest of the world.
 - The Phiabis became the riding harlot that controlled.
 - The Ten Royal Families became the Beast
- The Phiabis used their wealth to control all the breakoff churches from the Roman Catholic Church.
 - They used the differing beliefs of every church system to create “the religion on the cafeteria plan” program.

Revelation 19

Understanding the Whore of Babylon

- The Only thing the Phiabis lacked was a mechanism to control the masses of people.
- While the first four crusades garnered the support of the European Kings, calls for later five crusades generated nothing but yawns.
 - They found it back in Egypt, Babylon, and Persia. It was an opiate drug called Hashish. A Danish merchant named Franz Kolmer brought it from Egypt.
 - He told Adam Weishaupt (the founder of the *Illuminati*) about the Assassin Cult and how they used Hashish to control their members and get them to assassinate key government figures.

Revelation 19

Understanding the Whore of Babylon

- Weishaupt became aware of Dr. Franz Anton Mesmer's work at the University of Vienna in Austria. Later on, he moved to Paris where he practiced medicine. He studied in two areas:
 1. Animal Magnetism
 2. Hypnosis and Mesmerism

Revelation 19

Understanding the Whore of Babylon

- In Paris, Dr. Mesmer had an American student named Luman Walters, who studied under him while completing a medical degree. After receiving his degree, he returned to America where he practiced medicine for a time.
- Dr. Walters' interest in occultism brought him in contact with the family of Joseph Smith, Jr. It was Dr. Walter's seer stone that Joseph Smith, Jr. used to "translate" the *Book of Mormon*.
- It is also probable that Dr. Walters was interested in the treasure on Oak Island in Nova Scotia.

Revelation 19

Understanding the Whore of Babylon

- After Joseph Smith, Jr. died in 1844, Dr. Walters was slowly falling out of favor with Brigham Young and the succeeding Mormon leadership.
- His place was taken by Willard Richards, a pharmacist from Massachusetts who also understood occultism.
- Both Willard Richards and Brigham Young knew the occult power that resided in both sides of the Smith Family.
- Seeing that Joseph Smith, Jr. has become an opium addict with a raging libido, they realized he was becoming a liability to the movement. To tap into that occult power, Willard Richards and Brigham Young married their 56 and 58-year-old sisters off to Joseph Smith, Jr.

Revelation 19

Understanding the Whore of Babylon

- After Joseph Smith, Jr. died in 1844, Brigham Young started making preparations to move the Mormons west to Utah. However, while he was making those preparations, he sent his sister Fanny Young Smith and a group of excavators to Oak Island to dig up what was there.
 - 1844 was a period in time called the “free banking era.” If you had a certain amount of gold or silver, you could use it to start a bank and then print paper money. Brigham Young’s bank had printed more paper money than he had gold and silver to back it. Finding Captain Kidd’s treasure was his road back to financial solvency.
 - In 1837, the Mormons had another bank scandal called the Kirtland, Ohio Bank Scandal. They printed more notes than they had gold and silver to back it. Mormon officials including Joseph Smith, Jr. did prison time for this crime.

Revelation 19

Understanding the Whore of Babylon

- Brigham Young's plans to find the Oak Island treasure ended in disaster, even though Fanny Young was able to break Joseph Smith, Senior's "black dog" curse on the island.
 - What they did do was spring William Dampier's "water trap" that kept Osiris silent until 1845. Suddenly, all sorts of messages started appearing all over New England:
 1. The Mormons continued their spread across the USA.
 2. The Seventh Day Adventists wrote an addition to the Bible via Ellen White.
 3. The Christian Science Movement under Mary Baker Eddy.
 4. Theosophy under Helena Blavatsky and Colonel Olcott.
 5. Jehovah's Witnesses under Charles Taze Russell

Revelation 19

Understanding the Whore of Babylon

- The introduction of occultism into the United States was complete by the 1860s. Roman Catholic elements in the South plunged the USA into Civil War from 1861-1865.
 - The South lost in part because they did not receive promised help from Great Britain and from the Papal States (AKA the Vatican).
 - However, European elements convinced Lincoln and Congress to pass the National Banking Acts of 1863 and 1864.
 - Created a System of National Banks
 - Create a uniform national currency
 - Create an active secondary market for Treasury securities.
