

# Are We about to be Shaken by the Power of Yahuah?

## Review of Parts I and II - Are We About to Be Shaken?

In Part I we saw we are in the “End of Days.” After two thousand years, it is harvesting time for the wheat and tares, and we are on the threshold of the “Day of Wrath” and the second coming of Jesus.

In the vision we saw the universe with a horizon between the universe and heaven. Then in the vision there was a great shaking by the Perfect Power of Yahuah and Yahusha. We heard our Father in Heaven proclaim, “Who dares to alter the appointed times and the seasons put in place?!” We saw that under demonic influence the standards of right living, the ten commandments were altered, so we listed these ten commandments to reset the standards Yahuah has put in place.

Ask in what condition are we in who are in Rome/Babel. And what shall happen to all who do not repent and spiritually come out of Rome/Babel. This will require us to leave corrupted apostate churches, assemblies, and denominations.

Lastly, we examined scriptures of divine promises. We ended with a plea to let us not be partakers of Babylon. Let us come out of her. repent, and come into Yahuah’s and Yahusha’s glorious light. Let us be prepared for the soon coming day of wrath and accountability.

Review in Part II we began to review the vision and further revelation of being shaken by the Sovereign Perfect Power of Yahuah and Yahusha to include connected enemy spiritual attacks and Yahusha’s visitation of His Perfect Power of deliverance and protection. In the vision Yahuah’s rebuke is received with joy because it is right. We saw the dangers of studying the occult to include ESP (Extra Sensory Perception) where it is witchcraft without ever mentioning the word witchcraft. In all of this transgression of studying these occult details Jesus never left me or forsook me. He knew my heart of love for Him and the Father. He instantly responded to my cry, “Help Me Jesus!”

Yahusha(Jesus) is in me, and I am in Yahusha. This He has revealed to me. He is my rock. When we love Yahuah and Yahusha with all our hearts, mind, soul, and strength, and love our neighbor as ourselves then even though we may not know all things, all things Spiritual are “put in place.” We are to guard our hearts in Jesus, for from the heart come the issues of life.

To continue in Part III let us review the vision again.

## THE VISION:

On 28 March 2024 at 3:00 A.M. as I awoke, I saw the large surface of the entire Universe before me. It appeared to the right of center of my view wrapped in a transparent membrane with all of its billions of Galaxies. The view of the Universe was vast and dark. It took up most of the right half of my view, went from center to almost the right edge and was in the irregular shape of a giant top part of a heart as viewed

looking at it from the edge as it lay before me. There was a horizon larger than the Universe that separated it and Heaven above.

On the right side of the horizon above the Universe appeared to me to be a little round face with a small little voice. It was facing left and moving from right to left. Far to the left of the Universe at the far-left edge of the horizon and above the horizon was a big gray mass about one six-hundred-thousand-millionths or less of the size of the Universe of many powers both small and great sitting together by themselves in opposition to the Creator of the Universe, but under His ultimate control.

### **THE SHAKING:**

Then, the little round face with a small little voice spoke like a loud roaring Lion that caused the whole Vision of the Universe and Heaven to include me to shake and tremble violently with every internal particle and fiber. The little round face with the small little voice spoke as it roared, “**Gather!! Assemble!!**” Instantly, all things were brought together beneath the Universe. After being **Gathered**, then the Saints were **Assembled**.

Afterward, I noticed in the mass of dangerous powers of the Universe, of the Kingdoms, and of the Nations a little newborn goat I thought needed to be rescued. On my own in my focus of my compassion, I sought to rescue the innocent little kid, and in my own presumption, I became presumption itself. Without thinking, I reached out through the vale that was between myself and the vision to rescue the little goat kid.

Oh, Oh. I should not have done that as it interfered directly in what Yahuah our Almighty Father in Heaven was doing. Immediately, with a voice louder than many thunders He spoke,

### **Again, the Shaking:**

**“Who Dares to Alter the Appointed Times and the Seasons Put in Place!!!”**

His voice was in the tone and inflection of a vexed ruler who is being defied saying, “**How Dare You!**” The voice was so powerful that the entire vision as well as me was again violently shaken with every particle and fiber of being. I was duly rebuked. I immediately instantly repented and withdrew my hand, seeking and receiving forgiveness. Knowing this, no one is to alter what the Creator sets in motion, nor the way it is set in motion, nor change anything until its appointed time and in the way it is appointed to be.

We can petition Yahuah and He will consider our petitions, but they must be perfect by His hand, in His time, and in His way!

## **PART III**

### **Are We About to Be Shaken with Further Revelations of the Perfect Power of Yahuah and Yahusha:**

There is much more Yahusha (Jesus) is revealing concerning this vision and His Sovereign Perfect Power, Mercy, Grace, Love, and Unchangeable Righteousness.

## **Begin: Revelation of His Divine Perfect Power:**

The Revelations of Yahuah and Yahusha's Power as revealed between April 7 to June 19, 2024, from the vision.

I was alone in worship to Yahusha on Sunday April 7, 2024. In the Spirit Yahusha, Jesus, spoke to me and said, "I want you to now look at my and the Father's power." Instantly, the view of the vision came to me with details of His and the Father's power at the moment when they had spoken in the vision that caused all Heaven and the whole Universe to shake violently. Take note, what kind of power can cause the entire Universe and Heaven to shake violently not only on the outside but through to its core at just the sound of His voice?

In Revelation 20:1-3 we see the description of the power of Yahuah by what the Angel of Yahuah was able to do having the key to the bottomless pit, a great chain, laying hold of the Dragon, binding the Dragon for a thousand years, casting the Devil into the bottomless pit and shutting him up, and setting a seal upon him. (*cf.* Revelation 20:1-3) None of these acts could be resisted or changed, annulled, or fulfilled until its appointed time. It is also written:

14. And death and She'ol were cast into the lake of fire. This is the second death.

15. And whosoever was not found written in the Ceper of life was cast into the lake of fire. (Revelation 20:14-15 *Ceper*)

And,

(Isaiah 13:13) Therefore I will shake the heavens, and the earth shall remove out of her place, in the wrath of Yahuah Tseva'oth (of hosts, literally "of the armies"), and in the day of his fierce anger. (Isaiah 13:13 *Ceper* English added)

And,

(Joel 3:16) **Yahuah** also shall roar out of Tsiyon, and utter his voice from Yerushalayim; and the heavens and the earth shall shake: but **Yahuah** *will be* the hope of his people, and the strength of the children of Yashar'el. (Joel 3:16 *Ceper*)

Likewise, within the sound of His voice in the vision was a power so great it surpassed all the powers inside the universe and those powers separate from and outside the universe combined and caused all heaven and the universe to violently shake to include me as I viewed the Vision. As I mentioned, the powers of the Universe were gray in appearance and made up of many, many large and small individual powers in opposition to Yahuah the Creator of all things. In contrast, the Father's Perfect Power was completely invisible and has a clearness that is perfectly clear. Yet, it is such a superior force it was at once both surrounding everything and internally flooding everything within down to being inside the tiniest sub-atomic particles. There was no capacity to do anything but to

comply completely with what He was doing. His power is perfect and complete.<sup>1</sup> No other powers, forces, and/or spirits even compare with this total overwhelming force and power of Yahuah and Yahusha. And yet, it is totally invisible with a clearness of being perfectly clear and cannot be seen unless Yahuah reveals it even to His strongest spiritual enemies. So, no one knows it is present until Yahuah activates it such as with His Love, our speaking or calling on His Name, Prayer, Praise, Worship, His redemption, salvation, resurrection, protection, judgment, His fierce anger, Yahuah speaking, His mercy, His grace, His Glory, His Decrees, and more.

Another characteristic of His power is His protection. In Psalms 91 it is written:

1. HE that dwells in the secret place of El Elyon shall abide under the shadow of El Shaddai (the Almighty).
2. I will say of Yahuah, He is my refuge and my fortress: my Elohiym; in him will I trust.
3. Surely, he shall deliver you from the snare of the fowler, and from the noisome pestilence.
4. He shall cover you with his feathers, and under his wings shall you trust: his truth shall be your shield and buckler. (Psalms 91:1-4 *Cepher* English added)

So, we also see that within His power, He is our refuge, hiding place, and protection. Also, it is written,

Saying, Hurt not the earth, neither the sea, nor the trees, till we have sealed the servants of our Elohiym in their foreheads... (Revelation 7:3 *Cepher*)

...After this I beheld, and, lo, a great multitude, which no man could number, of all nations, and kindreds, and people, and tongues, stood before the throne, and before the Lamb, clothed with white robes, and palms in their hands; (Revelation 7:9 *Cepher*)

And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the seal of Elohiym in their foreheads. (Revelation 9:4 *Cepher*)

As we can see Yahuah seals innumerable multitudes more than the 144,000. (*cf.* Revelation 7:9)

---

<sup>1</sup>It is so powerful that even the thermonuclear explosions in the sun and stars with all their combined power are unable to do anything but comply with His force. Even their powers were shaken by His voice.

## **Additionally, Yahusha Gave a Vision of His Protection in Tribulation**

Early one Sunday morning in 1975, I was traveling to a church service to share testimonies of Yahusha's work in the Gideon's Society. As I was driving, I was meditating on the End Times and the Ruach Ha'Qodesh, (Holy Spirit), made it clear that we would be going through the End Times.

I asked, "What about Your Believers?" Instantly, Yahusha gave a vision. (I was just entering a curved bridge over a waterway in Hampton, Virginia. My car was driven supernaturally as it was still on the road in the right lane at the end of the bridge when the vision finished.)

He showed His very large hand right in front of me with a believer in the center of the palm of Yahuah's hand. He closed and sealed His fingers over the Believer. Then He held His hand in the center of the sun and then seven miles deep in the ocean. Each time He opened his hand to show the believer, and there was the believer unharmed. The believer was filled with Joy by being touched by Yahuah's hand even though he could see where he was. He was unharmed and untouched, having himself covered by Yahuah's hand. This was the condition of every believer just as it is described in Psalms 91.

I share this in all humbleness as an encouragement even though it is not a scripture, it is from Yahuah and does agree with His Word.

## **The Transparent Sword:**

Additionally, Yahuah's power then appeared as a transparent sword encompassing everything with a sharpness so complete it could separate even the sub-sub-atomic particles, all matter, all thoughts, and all the intents of every being.

It is written:

(Isaiah 45:19) I have not spoken in secret, in a dark place of the earth: I said not unto the seed of Ya`aqov (Jacob), Seek ye me in vain: I Yahuah speak righteousness, I declare things that are right. (Isaiah 45:19  
*Cepher*)

We cannot see righteousness. His righteousness is but a part of His unified perfect power. Yet, Yahuah can concentrate this invisible power until it becomes His glory and is Him in His glorious living, loving light, well able to separately judge and destroy, or redeem, save, resurrect, and restore us to our eternal glorified bodies and restore any or all things in His perfect just will.

Now let us revisit this awesome Perfect Power of Yahuah. In addition to what has already been revealed Yahusha, Jesus, has just now additionally been reminding me of other aspects of His power.

It is creative:

(Genesis 1:1) IN the beginning Elohiym created אלהים the heavens and ארץ the earth. (Genesis 1:1 *Cepher*)

And,

(John 1:1-3) IN the beginning was the Word, and the Word was with  
אֱלֹהִים Elohiym, and Elohiym was the Word.

2 The same was in the beginning with אֱלֹהִים Elohiym.

3 All things were made by him; and without him was not anything  
made that was made. (John 1:1-3 *Cepher*)

In Proverbs we see this same Greek word, *Logos*, translated as the Word in John 1:1 and as  
Wisdom in Proverbs 8:1 described as eternal and part of Yahusha rejoicing in Yahuah and delighting in  
the sons of man.

1 DOES not wisdom cry? And understanding put forth her voice?

22 Yahuah possessed me in the beginning of his way, before his works  
of old.

23 I was set up from everlasting, from the beginning, or ever the earth  
was.

24 When there were no depths, I was brought forth; when there were  
no fountains abounding with water.

25 Before the mountains were settled, before the hills was I brought  
forth:

26 While as yet he had not made the earth, nor the fields, nor the  
highest part of the dust of the world.

27 When he prepared the heavens, I was there: when he set a compass  
up-on the face of the depth:

28 When he established the clouds above: when he strengthened the  
fountains of the deep:

29 When he gave to the sea his decree, that the waters should not pass  
his commandment: when he appointed the foundations of the earth:

30 Then I was by him, as one brought up with him: and I was daily his  
delight, rejoicing always before him;

31 Rejoicing in the habitable part of his earth; and my delights were  
with the sons of men. (Proverbs 8:1, 22-31 *Cepher*)

That Perfect Power is able to keep those given by the Authority of Yahuah to Yahusha and is so  
powerful no other force or group of forces can interfere in any way. They are powerless when  
confronted with the Perfect Power of Yahuah.

Additionally it is written,

(John 17:12) While I was with them in the world, I guarded them in  
your name: those that you gave me I have kept, and none of them is

lost, but the son of perdition; that the Scripture might be fulfilled.  
(John 17:12 *Cepher*)

And,

(John 19:11) Yahusha answered, You could have no power at all against me, except it were given you from above: therefore he that delivered me unto you has the greater sin. (John 19:11 *Cepher*)

Ultimately nothing can happen in the face of Yahuah's perfect power except Yahuah or Yahusha give permission that the Perfect Will and Purpose of Yahuah and Yahusha be accomplished.

Remember also Psalms 91 where Yahuah and Yahusha are our protectors, hiding place, and refuge.

Likewise, remember Shadrach, Meshach, and Abendigo were unharmed by the fiery furnace. This also shows that when we are to be destroyed by man or demon it cannot happen to us if Yahuah or Yahusha's will and purpose is against it happening.

### **Additional Prophecies of Dreams and Visions of Events That Will Take Place in This Great Shaking:**

Prophecy: Dream of Enemy Invasion

And it shall come to pass in the last days, saith Yahuah I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams: (Joel 2:28, Acts 2:17 actual name of Yah added)

Yahusha's first prophetic dream given to me was of an enemy invasion by the Chinese and the protection of many souls. After being sovereignly filled with the Ruach Ha'Qodesh (Holy Spirit), in the spring of 1953, by the fall of the year, on four consecutive nights, a dream repeated itself down to the tiniest detail. I was very young at the time (only 13 years of age).

Each night it would start with our country being invaded by an enemy from China. Fighter aircraft would dive in strafing runs on us. We were in an open area with buildings behind us, and a tree line surrounding us across the open area in which we were standing. I would take the family, and then shelter and hide them in the barn behind the three-foot-thick stone walls. From there we would watch the strafing. The bullets would ricochet off the stones and kick up the dirt in the open doorway in front of us. Then there were many other people seeking to hide from the enemy. I found a secure place for all in a heavily wooded remote valley (*cf.* Psalms 17:8-9)

Keep me as the apple of the eye, hide me under the shadow of thy wings, from the wicked that oppress me, from my deadly enemies, who compass me about. (Psalms 17:8-9)

Again, strafing would occur around the barn. The enemy ground troops arrived being tipped off on our location, and it became necessary to move everyone to a new secure location. The process of moving was dangerous as we were exposed in the open.

The enemy surprised us. I got everyone safely away from the enemy, but the enemy discovered me. It was in the barn. We had hand-to-hand combat, and I, with the help of others, successfully overcame the enemy (cf. I John 4:4)

Ye are of Yahuah, little children, and have overcome them: because greater is he that is in you, than he that is in the world. (1 John 4:4  
actual name of Yahuah added)

After this, we all escaped safely to the new secret location Then, I would awake. Again, this dream repeated itself four nights in a row. I am reminded that in the Bible, the patriarch Joseph considered a dream valid (sure to happen), when it was repeated twice. (cf. Genesis 41:32)

### **The Axe and the Mangrove Tree**

The main prophetic dream for this time, as indicated by Yahuah, occurred December 24, 1973, at Cocoa Beach, Florida while on mid-tour military leave from Korea just shortly after the 1973 Arab Israeli Yom Kipper War.

In the dream, I found myself in a mangrove swamp deep within the branches and the shoots of a tree. Before me stood a large mangrove tree trunk. I was standing in waist deep water on the roots among its auxiliary trunks that came from the branches, just as I actually had experienced in Vietnam. There were fifty vertical shooting roots like separate tree trunks connected to fifty horizontal limbs surrounding this large trunk.

Then an axe head without a hand chopped down the main tree trunk in one mighty blow (cf. Daniel 2:34, Revelation 18:21). Amazingly, the tree stood suspended upon the fifty smaller trunks attached to the overspreading branches. The main tree trunk then disappeared leaving only the branches connected together and held up with their separate trunks. A voice spoke and said,

“Thus, shall it be to the nation I judge.”

I awoke saying, “Lord, Yahuah, what nation is this You have shown me?”

Hoping that it was not America even though deep down I knew it was America, I asked, “Couldn’t it be Great Britain?”

With no audible answer but a still quiet knowing in the Spirit He said,

“No!”

A deeper conviction became clear that it was the United States of America. I then grieved over my nation and cried out “No Lord, Yahuah” before Yahuah and afterward, I fell asleep once again. Remember it is written,

Thou sawest till that a stone was cut out without hands, which smote the image upon his feet that were of iron and clay, and brake them to pieces. (Daniel 2:34)

And a mighty angel took up a stone like a great millstone, and cast it into the sea, saying, Thus with violence shall that great city Babylon be thrown down, and shall be found no more at all. (Revelation 18:21)

Later being awakened, I opened my eyes to a wonderful sight. The room had disappeared, and off to the East on the horizon over the Atlantic Ocean just above the distant bank of clouds appeared a rider on a white horse leading the entire host of heaven. The rider and the host were all shining brightly with unapproachable white light and also clothed in white robes of light. The vision lingered for about a second or two and was gone. It left me with great awe and the still quiet peace and joy of Yahusha. It also left me with the awareness that America's destruction and Yahusha's return are linked together. (*cf.* Jude 14-15)

And Enoch also, the seventh from Adam, prophesied of these, saying, Behold, the Lord cometh with ten thousands of his saints, To execute judgment upon all, and to convince all that are ungodly among them of all their ungodly deeds which they have ungodly committed, and of all their hard speeches which ungodly sinners have spoken against him. (Jude 1:14-15)

Reflecting on the tree remaining without its main trunk, it appears United States of America will survive the correction of the Yahuah. But the construction of the United States and its government shall be much different after it undergoes the judgment of the Yahuah in Heaven.

## **The Angel and the Plow**

The next vision occurred a year or so later from the 1973 vision. Yahusha had awakened me and called me to prayer over several recent Supreme Court Decisions that were made in the early 1970s. As I prayed, Yahusha made it clear that all judges of the land were also rulers of the land before Yahusha. Further, Yahuah reminded me that He holds the people accountable for the actions of its rulers just as He held Israel accountable for King David's disobedience in conducting an improper census. (*cf.* II Samuel 24:1-25, I Chronicles 21:1-17)

With this revelation, I was greatly grieved and repented of my sins, and for my nation's leaders' sins. As the holy presence of Yahusha came over me, I fell silent and waited upon Yahusha.

Suddenly, a vision opened before me as I was kneeling in prayer, and I saw an Angel holding a large single bottomed hand plow. He was so large that the plow was as big as the entire lower 48 States.

A plow is an implement that cuts into, breaks up and turns over soil to prepare the soil as a seedbed for planting crops. Starting from the bottom the main parts of a plow are the plowshare point that is usually hardened steel and its tip points down about three degrees, the leading edge of the plowshare together with the point penetrate and cut through the soil. The moldboard, attached right above the plowshare, is a large, curved steel plate that lifts and overturns the soil depositing it upside down.

With this plow, the Angel began to plow the entire United States in one pass. He was plowing very deeply. Normal deep plowing is down to eighteen inches, this was all the way down to three feet.

As I watched, I saw the top crust of the soil that covered the land. It was very dry, sunbaked, hard, sterile and compacted with almost no vegetation at all. It appeared exactly like a desert. With great

difficulty, only a few hardy plants sprouted weakly forth to appear above the infertile almost sterile surface. As the moldboard lifted the soil and turned it over upside down, I saw this top hard-packed, infertile surface being totally crushed, pulverized into dust, and placed at the bottom of the furrow. In its place was pulled up extremely moist, mellow, light, very rich fertile soil.

Or saith he it altogether for our sakes? For our sakes, no doubt, this is written: that he that ploweth should plow in hope; and that he that thresheth in hope should be partaker of his hope. (I Corinthians 9:10)

As this very rich mellow soil from deep down now covered the land, this same Angel walked across this new plowed soil sowing seed. Immediately, covering plants sprung up with giant leaves that provided shade and protection against the harsh drying effects of the sun. These leaves shielded the delicate new soil allowing moisture and fertility to be preserved.

I was fully aware Yahusha will judge us and replace the ungodly infertile covering of the land's leadership with good rich soil that produces much fruit. And that in the end, He will also provide His righteous covering and protection for us as well.

It is also noted that the famous revivalist and later president of Oberlin College: Prof. Charles Finney emphasized this deep plowing. Charles Finney strongly enjoined Americans to break up the fallow ground of their hearts, citing Jeremiah 4:35 and Hosea 10:12.

For thus says Yahuah to the men of Yahudah and Yerushalayim, Break up your fallow ground, and sow not among thorns. (Jeremiah 4:3 Cephher)

Sow to yourselves in righteousness, reap in mercy; break up your fallow ground: for it is time to seek Yahuah, till he come and rain righteousness upon you. (Hosea 10:12 Cephher)

He said that unless we did this, we would not receive the blessings of, Yahusha. This angel is doing to America what its people refused to do in their hearts for decades.

As this vision happened, I understood that Yahusha was going to cause a great upheaval in our land, but in the end, whether it be by war, calamity, or both, those obedient to Yahusha would be placed on top, sheltered by Yahusha and Yahuah, the Most High. Remember, "blessed is he who dwells in the secret place of the Most High." (Psalms 91:1 NKJV).

It appears that at our restoration "As a Nation Under Yahusha" it is the start of the millennial reign of Yahusha the Messiah which also means there is a strong probability that many of us will live through the tribulation of the end times. If that happens, are we ready? Are our friends and neighbors ready? Are we right before Yahusha?

If not, let us repent, confess our sins, ask for forgiveness, and ask Jesus to come into our heart. He says,

"Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me." (Revelation 3:20)

Knowing the seed also represents the Word of Yahuah we also must consider additional dimensions and levels of application for the ending of this prophecy with His supernatural care, increase, and protection. It is amazing all the messages Yahusha has for us.

### **Helga Sapp Sees New York In Flames and Yahusha's Call on My Life**

Behold, I will do a new thing; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness, and rivers in the desert. (Isaiah 43:19)

Helga Sapp was a dear Christian friend who worked as the bookkeeper for the Fort Benning Flying Club when I was President of the Club. She reported a prophetic vision she had of me in 1972.

She had returned from grocery shopping late on a Saturday afternoon. She was so tired she lay down across her bed in all her clothes which is totally out of character for her as she was always, a proper lady. She instantly found herself outside her body. In the vision, she saw the New York City skyline. The city was engulfed in flames. Then, she saw me on an island some distance offshore from New York City. The water surrounding the island was so blue you could feel the color. As she watched, she saw Yahusha with many on a platform preaching to a great multitude. Then, she saw Rachel, my now late wife, and I standing next to her in this great multitude. Yahusha motioned for me to come up to the platform. I left them and went to be beside Jesus on the platform. As I did so she heard a voice say,

“There goes Tom!”

Included in the statement was an awareness that the angel was talking about my finally fulfilling the special end-time purpose for which Yahusha has created me. The angel then brought her back to her body, touched it, and she arose refreshed.

We discussed this vision several times, and Helga was firmly convinced that I would be answering the Yahuah's calling on my life at the time New York City was being engulfed in flames.

She also strongly held that the island shown was much farther away than my wrongly assumed Long Island. Now that I live with my new wife and family temporally on the Caribbean Island of Saint Vincent, the vision's time is imminent.

With this knowledge let us remember,

Trust in El Yahuah with all your heart; and lean not unto your own understanding. (Proverbs 3:5 Cepher)

### **Prophecy/Vision in Heidelberg, Germany of a Nuclear Explosion Happening in the United States**

Shall a trumpet be blown in the city, and the people not be afraid? shall there be evil in a city, and Yahuah hath not done it? Surely Yahuah will do nothing, but he revealeth his secret unto his servants the prophets. (Amos 3:6-7 actual name Yahuah added)

In 1979, a dual vision occurred with myself and some friends one evening when I was in Heidelberg, Germany. The winter night was damp, frosty, and cold with temperatures near 0° F. After

Bible Study, my friends were driving me home. As we prayed in the car before I went into my home, suddenly the Ruach Ha'Qodesh (Holy Spirit) fell on us. He gave us a heavy burden for the United States. We began to intercede when simultaneously my friends and I both had visions of atomic explosions. They saw it up close with all its frightful terror. I saw the atomic explosion from a distance. In my vision, I saw a mountainous region with a large lake and the explosion was a great distance over the mountains, but still could be seen above the tops of the mountains. As I mentioned in the scene before me, there was a large lake to my front in an open valley just in front of the mountain range.

We prayed more earnestly until the peace of the Lord came, releasing us from our intercession. It is written,

Remember the former things of old: for I am Yahuah, and there is none else; I am Yahuah, and there is none like me, Declaring the end from the beginning, and from ancient times the things that are not yet done, saying, My counsel shall stand, and I will do all my pleasure: Calling a ravenous bird from the east, the man that executeth my counsel from a far country: yea, I have spoken it, I will also bring it to pass; I have purposed it, I will also do it. (Isaiah 46:9-11 actual name of Yahuah added)

Eight months later as my family traveled up the ALCAN (Alaska-Canada) Highway in 1980 to my new duty assignment in Alaska, we were driving out of Whitehorse, the capital of the Yukon Territory, Canada. As we came over the rise to descend towards the Southwest tip of Kluani Lake, the scene of Kluani Lake came into view. Instantly, I saw the very scene from the 1979 vision of the atomic explosion. There were the mountains that were in the foreground of the vision with the explosion far behind the mountains. The open valley lay in front of us just as in the vision. Kluani Lake was spread out in front of the mountains. To the left, exactly as shown in the vision, was the southwest tip of the lake directly to our front. The explosion in the vision was directly to my front just as it would be from this actual view. The only major city that exists right where the explosion was located in the vision is Anchorage, Alaska. However, the Fort Richardson-Elmendorf Air Force Base Complex is nearby.

Remember in all of the shaking of Yahuah we are sealed and protected as we wait upon Yahusha during the tribulation for His great Day. Blessed is he who dwells in the shadow of the Almighty.

In His great keeping power, provision, and protection,

Brother Tom
